

Spectra[™]

Immediate delivery, easy pricing

Colored Concrete ...always available

imix Spectra is a colored concrete available for immediate delivery and easy pricing. *Spectra* is available in a limited number of colors, all stocked locally. The color is integrally mixed in the truck. *Spectra* offers a single price per yard regardless of the color, so it is much easier to bid than other color applications. It can be finished in a number of ways, including stamping, textured skins, hard trowel and broom finish.

imix Spectra brand colored concrete is available in four colors. When you purchase concrete from IMI, you have the assurance of a quality product. Our sales and technical staff are experts who can supply you with valuable information. If you have questions, feel free to contact us.
